

ATHABASCA UNIVERSITY MBA ACADEMIC REFERENCE LETTER GUIDELINES

We appreciate your assistance in our admissions process by providing us with your candid assessment of the applicant, whom you should know well enough to evaluate fairly and accurately. References should be of a professional nature and comment on the individual's proven depth and breadth of management skills and ability to successfully undertake graduate level studies.

References from relatives cannot be accepted.

PART I - IDENTIFYING INFORMATION

Please make sure to include the following information on your reference letter:

- The applicant's name, title and company name
- Your name and title
- Your company name, address, telephone number (preferably on letterhead), and email address (optional)

PART II - REFERENCE CONTENT

Kindly address the following points/questions in your letter, and add any observations or comments that you think are relevant to this applicant's suitability for study at the graduate level.

- How long have you known the applicant and in what capacity?
- How would you describe the applicant's research, analytical, communication, and writing skills?
- How would you describe the applicant's academic (scholarly) strengths and weaknesses?
- Please include any additional comments you wish to make concerning the applicant's suitability for study at the graduate level.

Letters may be submitted via mail or email:
